The Robert Gerard AO Emerging Athlete Development Fund was originally established in May 2007 and has provided financial assistance to South Australian athletes since 2009. Its charter includes the provision of support to next generation elite athletes, particularly those competing at Junior/Under 23 World Championship/International level or equivalent.

The Fund is operated by an independent Board with assistance from the South Australian Sports Institute, who consider applications for funding annually. Priority for support is provided to athletes who compete in sports and disciplines contested in Olympic, Paralympic and Commonwealth Games.
